

Project Manager and Certification Assessor - Rolling Stock

In order to strengthen its team in Madrid and its expansion in Portugal, CERTIFER is recruiting a Project Manager to carry out the management and technical assessment of rolling stock projects. You will be part of the Rolling

Stock team working on national and international projects with major clients such as CAF, ALSTOM, TALGO, STADLER, MATISA, etc. You will report to the CERTIFER Director in Madrid.

Role and responsibilities

As a Project Manager you will :

- ✓ Assess the scope of tender documents to restrict the application of evaluation rules and standards
- ✓ Support the preparation of tenders (technical and commercial) based on the RFQs
- ✓ Follow up on the actions and comments requested in the evaluation,
- ✓ Identify risks at project level,
- ✓ Interact with the client, other assessment bodies and railway safety authorities,
- ✓ Ensure compliance with the company's quality processes.

As an Assessor you will be required to:

- ✓ Carry out the evaluation of Rolling Stock projects: documentation review, on-site inspections; conclusion of the evaluation, preparation of evaluation reports, ...
- ✓ Support the sectoral experts of the CERTIFER portfolio and coordinate parts of the evaluation with them
- ✓ Provide specific expertise in the assessment activities.

Minimum requirements

- ✓ Industrial engineer or similar
- ✓ Knowledge of the technical specifications for Interoperability: Rolling Stock (EU Regulation 1302/2014) and Railway Instruction (IF MR ALC-20)
- ✓ Experience of more than 5 years in the field of rolling stock if you have the diploma or more than 3 years if you have the Master
- ✓ Medium/high level of written and spoken English
- ✓ Ability to work independently and in a team, to set priorities and meet deadlines
- ✓ Ability to communicate with clients on inspections and commercial issues
- ✓ Willingness to travel to Spain for on-site inspections.

Requirements to be considered

- ✓ Knowledge of standards (Regulation 2018/545, Directive 2016/797, TSI Persons with Reduced Mobility (TSI PRM Reg 1300/2014), TSI Noise (Reg EU 1304/2014), and TSI SRT (Safety in Railway Tunnels Reg EU 133 /2014)
- ✓ Knowledge of Reg CSM-RA 402/2013
- ✓ Knowledge of Reg ECM 2019/779
- ✓ Knowledge of EU decision modules 2010/713
- ✓ Knowledge of CENELEC standards 50126, 50128 and 50129
- ✓ Knowledge of the Vehicle Registration Regulation
- ✓ Experience in carrying out independent assessments of the mentioned standards such as AsBo, NoBo, DeBo
- ✓ French and/or Portuguese

What we offer

- ✓ Additional benefits
- ✓ Positive and dynamic environment
- ✓ Professional development plan
- ✓ Work from home policy
